WORK HISTORY

Growth Marketing Lead, Mar 2023 to Present Afrimash Company Limited, Nigeria

- Redesigned and optimized several web pages to attract new leads, focusing on enhancing trust, and credibility, and increasing the conversion rate of leads.
- Grew lead acquisition rate by 380% from 0.2% to 7.6% within 56 days through the utilization of targeted offers and landing pages.
- Implemented content marketing and retargeting strategy using the blog, free training, PPC, emails and social media resulting in a 192% increase in email traffic.
- Developed an onboarding flow that utilized interest-based popups, leading to accurate data on user interests. This data was then used to enhance our offerings.
- Configured custom GA4 e-commerce events, enabling precise measurement of our marketing efforts.
- Collaborated with departmental leads and other stakeholders to effectively oversee multiple project teams.

Software Engineer, Jan 2021 to Oct 2022 FoodCo Nigeria Limited, Nigeria

- Collaborated on the development of tracking software with modules for inventory monitoring, CRM, staff administration, and report generation.
- Led the migration of the e-commerce site from WordPress to Magento, resulting in reduced operating costs, improved stock accuracy, and increased functionality
- Conducted testing and troubleshooting, and documented resolutions in the system
- Collaborated with internal customers on project status, new proposals, and software-related technical issues
- Identified and resolved bugs and speed issues in software processes using automation techniques, improving efficiency by 18%
- Collaborated with team members to design and develop solutions that meet company requirements for functionality, scalability, and performance.

Digital Marketer, Mar 2020 to Dec 2020 FoodCo Nigeria Limited, Nigeria

- Optimised lead generation campaigns, resulting in a 792% increase in web signups
- Created a custom dashboard to monitor key metrics and trends.
- Reduced page load time from 33 seconds to 3.5 seconds resulting in a 15% decrease in bounce rate and a 20% increase in conversion.
- Created and optimised 30+ organic and paid campaigns using PPC Ads, Email & SMS marketing, resulting in increased social media followers (35%), engagement (50%), email open rate (25%), and CTR (30%)
- Improved organic search rankings from page 3 to Top 5 for 10+ high-competition keywords and increased organic traffic by 71%
- Managed local SEO listings for 20 physical stores across 3 cities using GMB
- Utilised Google Analytics and tag manager to track and measure website performance, conversion, and behaviour.
